PREMIUM BLANKET
COLLECTION

THE COLLECTION

Polat Corporation introduces "The Warmth of Your Home," a blanket collection where comfort meets style. Crafted with sustainable materials certified by OEKO-TEX and produced in line with the Global Recycled Standard, these blankets offer more than warmth—they embody a lifestyle. Each piece, a testament to meticulous craftsmanship, invites eco-conscious luxury into your living space. Wrap yourself in the embrace of eco-friendly elegance and experience the touch of conscious comfort.

ABOUT US

Founded in 2003 in Uşak, Polat Corporation is a company that blends innovation with eco-friendly production in the textile industry. Specializing in the production of cotton-polyester regenerated yarn, cotton blankets, and woven fabrics, the company also serves as a recycling center, embracing sustainability principles. Operating in a 40,000 square meter enclosed area within the Uşak Organized Industrial Zone, Polat Corporation is shaped by the vision of the Polat brothers, Fahri and Erol, and holds international certifications such as OEKO-TEX and Global Recycled Standard. Prioritizing quality and environmental awareness in the global market, Polat Corporation takes a leading role in the industry by offering textile solutions for the future.
